

**OPENING for**  
**1 Post-Doctoral “Stavros Niarchos Foundation – FORTH Fellowships” within the project**  
**ARCHERS: Advancing Young Researchers’ Human Capital in Cutting Edge Technologies in the Preservation of**  
**Cultural Heritage and the Tackling of Societal Challenges**

*Exclusively funded by the Stavros Niarchos Foundation*

**Ref. 261**  
**Rethymno 21/03/2018**

The Institute for Mediterranean Studies of the Foundation for Research and Technology - Hellas (FORTH), in the framework of the project ARCHERS, which is funded by an exclusive donation of the *Stavros Niarchos Foundation*, is seeking to recruit 1 post-doctoral fellow. The project aims at reducing or even reversing the *brain drain* by providing high quality research opportunities to young scientists of Greek origin.

**Job Description**

The Stavros Niarchos Foundation – FORTH fellows are expected to perform high quality research within one of the research areas, in which FORTH -IMS excels both on the national and the international level [www.ims.forth.gr](http://www.ims.forth.gr). More specifically, the domains of interest in the present project are the preservation of cultural heritage and the science and innovation in the areas of environment as well as the societal implications of innovation in these sectors.

**Part 1: 1 Post – Doctoral Fellow satisfying the below eligibility criteria**

**Eligibility criteria**

- PhD degree in Landscape Archaeology, Geoinformatics & Methodologies in Cultural Heritage.
- Good knowledge of Greek and English language

**Evaluation Criteria**

- Publications in peer review journals and/or international conferences.
- Experience in the organization of Workshops.
- Participation in national and international conferences
- Quality of the proposed post-doctoral project
- Ability and motivation to perform independent research
- Previous post-doctoral research experience
- Experience with computer programming
- According to international practice, the academic age (number of years after the Ph.D. degree award year) will be taken into consideration as a selection criterion; preference will be given to PostDoctoral researchers with an academic age less or equal to 10 years.
